Re: **2017-HQFO-00995**

Dear Mr. Cheadle:

This letter is in response to your June 14, 2017 Freedom of Information Act (FOIA) request that you addressed to our office, seeking records relating to the report requested by the "Presidential Executive Order on Enforcing Federal Law with Respect to Transnational Criminal Organizations and Preventing International Trafficking." That order, issued on February 9, 2017, directed the interagency Threat Mitigation Working Group to, "within 120 days of the date of this order, submit to the President a report on transnational criminal organizations and subsidiary organizations, including the extent of penetration of such organizations into the United States".

While searching for responsive records, we located records that originated with another component office here at DHS. We have determined that this is a matter under the purview Immigration and Customs Enforcement (ICE), another DHS component; therefore, I am transferring your request and 116 pages of responsive records to the FOIA Officer for ICE, for processing and direct response to you. You may contact that office at ICE-FOIA@ice.dhs.gov.

Your request has been assigned the reference number **2017-HQFO-00995**. Please refer to this identifier in future correspondence. You may contact this office at our toll-free telephone number, 1-866-431-0486, or at 202-343-1743.

Sincerely,
Maura Busch
